But the native Twitter iOS app is now warning about the link when clicked, saying that it has been identified as "being potentially harmful." That will likely prevent the prank from blowing up further on its platform, though it's still possible for friends to text each other the link privately

how much trazodone should i take to get high
Her father took a dim view of her acting and musical ambitions, but the director of the Bordeaux conservatory heard her singing a Jeanette MacDonald number and gave her a place to study singing and theatre.

Co-author Lourens Poorter from Wageningen University, The Netherlands, told the Nature podcast that while it was important to halt deforestation, it was also important to recognise the role of secondary forests in a climate mitigation context.
